ANNUAL CPI INFLATION, HEADLINE & CORE^{1,2}

Source: Statistics Botswana

1. The Consumer Price Index (CPI) currently comprises a basket of 400 items divided into 51 sections covering goods and services. The weights in the basket, which was last revised in December 2018.
2. Two measures of core inflation are currently published: the “trimmed mean”, which excludes more volatile price movements, and “core by exclusion”, which removes the impact of changes in administered prices.

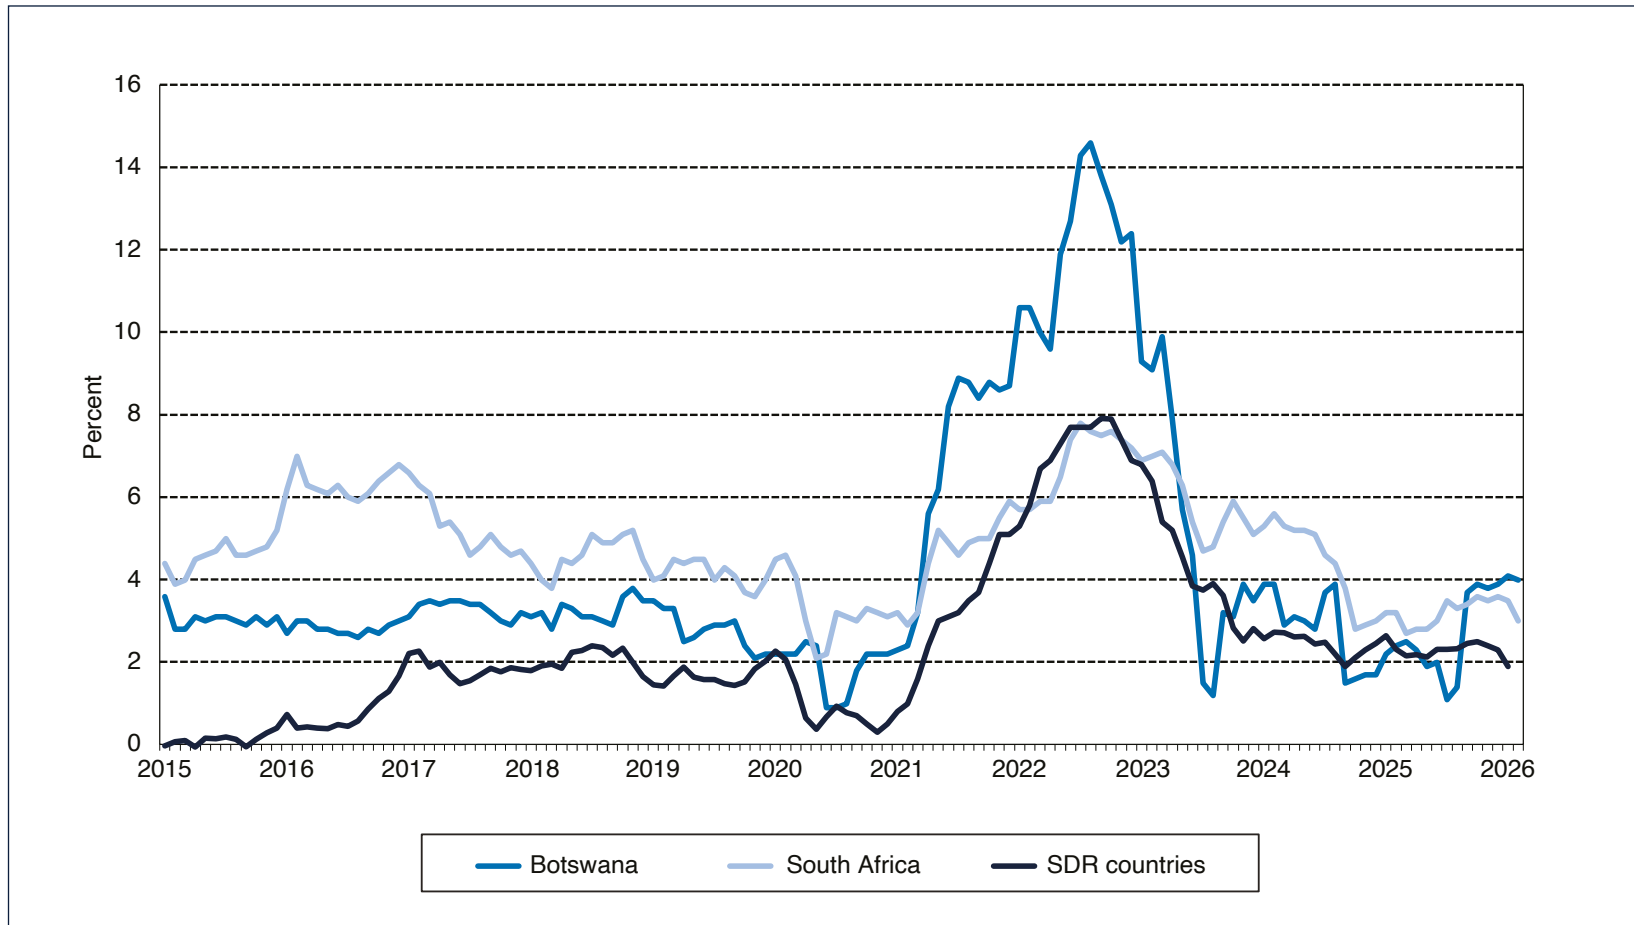

2 INFLATION FOR SELECTED CPI COMPONENTS¹

Source: Statistics Botswana

1. The CPI components shown in this chart are selected on the basis of their importance in influencing recent inflation trends, due to their weight in the CPI basket and/or the magnitude of price movements.

3 BOTSWANA AND OTHER TRADING PARTNERS' INFLATION
