

EXPRESSION OF INTEREST FOR THE SUPPLY OF AN 18 000 LITRE WATER- BOWSER TRUCK

CONTRACT NUMBER - BOB/2020/03/13

The Bank of Botswana seeks submissions of Expressions of Interest (EOI) to prequalify from well-established registered truck dealers and/or coachbuilders in the motor industry for the supply of an 18 000 litres water-bowser truck, complete, for transporting and pumping potable water within the Bank facilities.

The bowser truck is to be used to collect water from the Bank's boreholes to fill swimming pools, garden tanks and for dust suppression. The truck should, therefore, meet the following specific requirements:

- A new truck, sized and powered to meet the load requirements, fitted with;
- An 18 000 litre capacity tank suitable for the hygienic carrying of water, with top filling inlet and gravity-feed to an outlet to which is attached.
- A suitable pump and 15 m long 4-inch flexible hose (with one spare hose) or diversion to a rear-mounted horizontal spray bar with 6-8 nozzles for dust suppression.
- The water tank should include a catwalk and ladder for safe access;
- The truck should have an air conditioned cab, with radio, and should be at least a two seater for the driver and at least one passenger;
- The completed vehicle would be supplied with a Botswana roadworthiness certificate.

This call for expressions of interest and pre-qualification is intended to identify suppliers with the capacity to supply such a vehicle. In order to prequalify to be invited to tender, all companies responding to this call for expression of interest must submit documentation as requested below, which will be used to derive a short-list of companies to invite to tender:

- List of equivalent completed projects together with at least three written references and/or details of contactable referees (Clients).
- A brief company profile confirming in concise, the structure of the company and holding companies (where applicable), date of establishment, ownership, base of operations, specialisations, accreditations, honours and awards, infrastructural resources in Botswana and/or elsewhere, experience and other relevant data.
- Tenderers are also required to submit relevant copy of Licences or Public Procurement and Assets Disposal Board (PPADB) certificate.
- Status of ISO9001 certification for quality management system (QMS)
- Status of ISO/TC 110 – Industrial trucks.
- A short statement from your bank or financiers or audited sound financial statement demonstrating the financial capacity of the company.
- A short statement about any litigation the company may be involved in currently or have been involved in during the past five years if any.

- An outline of management expertise and resources available within the firm.
- For a joint venture, state the nature of the JV arrangement, and provide information requested above for all constituent companies.
- Bidders must commit to compliance with the Botswana Citizen Economic Empowerment Policy current at the time of tender.
- It is a requirement that the taxes of the participating bidders **must** be in good standing or that suitable payment agreement will have been agreed with the tax authorities. Tenderers are therefore, requested to obtain and submit a copy of a tax clearance certificate or letter from the tax authorities.

Contractors are urged to keep submissions concise and submissions should not exceed 15 A4 size pages in length per company.

The Bank will evaluate the submissions and short-list suppliers to be invited to tender. The Bank is not restricted to considering only those who directly respond to this advertisement and reserves the right to invite other known entities for the full tender.
